2019	Clau de Nell, Anjou, Loire Valley, France   Cabernet Franc	20
2017	Argiano, Brunello di Montalcino, Tuscany, Italy   Sangiovese	47

The Coravin Wine Preservation System is designed to pour wine without removing the cork. The non-coring Coravin Needle gently passes through corks without displacing cork material. Once the Needle is removed, the cork simply expands back to its normal shape. As wine is extracted through the Needle, it is replaced with pure Argon gas, ensuring oxygen never touches the remaining wine, keeping it as fresh as the day it was bottled.

## MAGNUMS

### WHITE

2021	Julien Braud Muscadet Sevre et Maine Cru Monnieres   Melon de Bourgogne	124

## COMPASS BOX WHISKY COMPANY

Whisky maker and master blender, John Glaser founded Compass Box in 2000 with the aim to create something refreshing and different. The Compass box range brings the joys of Scotch whisky to more people in new and exciting ways.

### GLASGOW BLEND 7

Full, rich, and smoky on the palate, with notes of sticky toffy pudding, sherry wine character and impressions of a coal fire.

### HEDONISM 9

Hints of vanilla, caramel and a delicate fruitiness, accented by flashes of coconut in the finish.

### THE SPANIARD 8

Soft and sumptuous on the palate with flavours of citrus peel and pears poached in red wine and spices.

### SPICE TREE 8

Rich and intense, this malt whisky is reminiscent of baking spices, layered with toasty oak

### PEAT MONSTER 8

Powerful coastal flavours, combining the smokiness of a driftwood fire with more medicinal peat notes. Orchard fruit and rich cask-derived creaminess balance this malty-layered whisky.

## RAMSBURY SINGLE ESTATE SPIRITS

Ramsbury practice environmental conscious farming. Using the perfect blend of tradition and innovation to produce spirits with the highest quality and the lowest environmental impact. The copper stills use the steam generated by a bio-mass boiler fed by their own sustainable woodland. Once the distilling is complete, the spent grains are fed to the animals on the farms. The wastewater is cleaned by a wildlife-friendly reed bed system, which then feeds into our lake.

### RAMSBURY VODKA 6

A smooth and rich vodka crafted from the finest Winter wheat grown on the Ramsbury Estate. Each bottle can be traced back to the very field in which the wheat originated.

### RAMSBURY GIN 7

The base of the Single Estate Gin is our Ramsbury Single Estate Vodka, which is distilled from winter wheat grown in our own fields. Re-distilled with fourteen botanicals, including classic juniper infused with the floral tones of fresh quince grown in the grounds of the distillery.
